MEDICINAL.

His Wife Insisted

And he thought he'd humor her, no doubt. The result shows that a man rarely loses by following his wife's advice. Those who suffer from obstinate cough, bronchitis, weak lungs and ailments in general which tend to consumption, will find speedy relief and perfect cure in the use of Dr. Pierce's Golden Medical Discovery. It cures ninety-eight per cent of those who give it a fair and faithful trial. It purifies the blood, heals the lungs and builds up the body with firm flesh instead of flabby fat. The "Discovery" contains no alcohol, neither opium, cocaine, nor other narcotics.

"Only for Dr. Pierce's Golden Medical Discovery I think I would be in my grave to-day," writes Mr. Moses Miles, of Hilliard, Ohio, Co., Ohio. "I had asthma so bad I could not sleep at night and was compelled to give up work. It affected my lungs so that I coughed all the time, both day and night. My friends all thought I had consumption. My wife had taken Dr. Pierce's Favorite Prescription, and it had helped her so much she insisted on my trying his Golden Medical Discovery—which I did. I have taken four bottles and am now a well man, weighing 165 pounds, thanks to Dr. Pierce's Golden Medical Discovery. I would like you to print this testimony as it may help some other poor sufferer."

Dr. Pierce's Medical Adviser, in paper binding, free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

IMMENSE COAL DEAL.

The largest coal deal ever consummated in West Virginia was closed yesterday by which the Watson coal operators practically secure entire control of the Fairmont district. A new company, with \$12,000,000 capital, has just been organized and will be known as the Fairmont Coal Company.

The new company has issued bonds to the amount of \$4,000,000, which have practically all been placed. The new concern has acquired 36 plants. In addition the Fairmont Coal Company acquires a perpetual lease from J. N. Camden of 25,000 acres of coal in that district.

With these combined interests the new company now owns 1,500 miners' residences, besides 500 buildings, machine shops and powerhouses connected with the mines. The new company owns and controls 60,000 acres of the best coal in the region, also 5,000 acres of surface land. It also absorbs the 5,800 individual cars which were owned and operated by the Fairmont Coal Mining Company, which concern was a selling agency for practically the other companies of that region.

The new officers are not yet determined upon, but J. O. Watson, J. E. Watson, S. L. Watson, C. W. Watson and ex-G. V. A. B. Fleming are directly interested and will retain control and management.

The annual output of the new company will be at least 6,000,000 net tons of coal and the monthly payroll will aggregate \$250,000. Possession of the above named properties will begin July 1.

Hon. Stephen B. Elkins and his associates have just concluded negotiations whereby they will at once establish great coal and coke plants on the line of the Morgantown and Kingwood road. A new concern, to be known as the New York and West Virginia Coal Company, has acquired 12,000 acres of coal lands in Preston county, and the Merchants' Coal and Coke Company, of Baltimore, has secured a tract of 7,000 acres in the same county. Pittsburgh capitalists are interested in the development of a 5,000-acre tract near Mannington and a syndicate has purchased 14,000 acres in Upshur and Garbort counties.

POLITICAL ISSUES IN 1904.

Senator James K. Jones, chairman of the democratic national committee, is in Washington. His visit has nothing to do with politics, but the opinion he expresses as to the issues of the next national campaign are significant.

"The Supreme Court decision," he says, "has marked the issue that must be fought out and settled by the people. The court has decided that Congress may determine how the people of territory acquired by the United States shall be treated; whether they shall be citizens or subjects. The issue before the people is what the course of Congress shall be in the exercise of this power."

"It will have to be determined whether Congress being given the power to extend government to a people, the government extended shall be in accord with the American declaration of principles and the Constitution, or whether it shall be some other sort of government, foreign to our institutions. The contention of the doctrine upon which our government is founded. We shall oppose the theory that there may be subjects under our republican form of government."

"I believe President McKinley said in a speech recently that it was 'merchandise, not maxims,' we wanted. The people of this country will have to determine whether equally before the law, self government by the people, the principles of the Declaration of Independence and the rights guaranteed by the constitution are 'maxims' to be abandoned for 'merchandise.' 'This issue is directly presented and will, I believe, overshadow every other consideration.'"

HIS LIFE SAVED

By Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I am sure that Chamberlain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Lafollette, of Gregory Landing, Clarke county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth." For sale by Richard Gibson, druggist.

LET ME say I have used Ely's Cream Balm for catarrh and am thoroughly recommended for what it claims. Very truly, (Rev.) H. W. Hathaway, Elizabeth, N. J.

I tried Ely's Cream Balm, and to all appearances am cured of catarrh. The terrible headaches from which I long suffered are gone.—W. J. Hisebeck, late Major U. S. Vol. and A. A. Gen., Buffalo, N. Y.

Kodol

Digests what you Eat

Dyspepsia Cure

A powerful engine can't be run with a weak boiler; and you can't expect to keep up the wear and strain of an active life with a weak stomach. Our boilers, or rather our stomachs, can't be replaced, and we cannot stop the human machinery while making repairs. But when the stomach is unable to digest enough food to keep the body strong, we can use such a preparation as Kodol Dyspepsia Cure. It digests what you eat, so that you can eat all the good food you want, without any distress after eating.

"After forty years of suffering from indigestion, a few bottles of Kodol Dyspepsia Cure cured me."—Amel Bell, Fredonia, Pa.

It can't help but do you good

Prepared by E. C. DeWitt & Co., Chicago. The 5¢ bottle contains 2½ times the 10¢ size.

When you need a soothing and healing application for piles, sores and skin diseases, use **DeWitt's Witch Hazel SALVE**. Beware of counterfeits.
